Boys Tryouts will be held 2nd weekend in August

Individual Skills Camps - we will place the athletes into groups arranged by age and skill (sometimes boys/girls are placed together). We want everyone to get the most out of the clinic and will do our best to help each player improve and have fun. Skills will include: Serving, defense, forearm and overhead passing, setting, hitting approach, blocking footwork, running plays for offense and lots of fun games & prizes!!!

Team Drills Camps 2nd year we are including this in our clinics. With these team sessions we ask that players know the basic skills (especially forearm/overhead passing, hitting approach & serve) because we will focus on a certain skill for only about one hour each day then the next two hours will be spent in more team oriented drills and instruction. Teams can request to be placed in groups together ideally send in your registration together to ensure placement (max 8-10 players) and/or individuals can sign up and we will place you into an appropriate skill level group/team.
