Updated 5/2/2023

Diablo will be running a Beach Volleyball Program for the 2022 Summer Season. Listed below is the information. If you wish to join, please email us at diablovbc@yahoo.com. Or call 925 451-6581

Beach Volleyball Program Mission Statement:

The Diablo Valley Volleyball Beach Program mission is to provide the local volleyball community with the following:

- An environment to develop an **interest** and **passion** for the game of beach volleyball.
- Learn how to form a mindset built on how to **communicate, compete,** and **collaborate** with others.
- Opportunities to develop **all** volleyball skills from basic to advanced skills & techniques of the beach game.
- **Have fun** growing as a person, working with a partner/team, and enjoying the outdoors!

Why Beach Volleyball!!!???

Beach volleyball provides athletes two key differences than the indoor game does; you touch the ball **over twice** as much as the indoor game - go figure, there are only two of you on the court - and **all** volleyball skills must be developed to be at your best. Those two factors alone provide the chance to improve twice as fast at the beach game. Playing in the sand is a more challenging cardiovascular exercise that improves conditioning and enhances your ability to adapt the body and mind connection due to constantly changing conditions around you and beneath your feet!
